Neil Wagner ’52

On Saturday, May 11, Western Connecticut State University lost a dear friend: alumnus, mentor and loyal supporter, Neil Wagner. Neil was an integral part of the WCSU Alumni Association, golf tournament and the university, and we will miss him greatly.

Neil dedicated a significant portion of his life to WCSU. Along with being honored as a lifetime member of the Alumni Association Board of Directors, he worked for 26 years as dean of the University Center for Lifelong Learning until his retirement in 1989. He also served the university as president of the Faculty Association, chairman of the Varsity Governing Board, class adviser, Alumni Golf Tournament co-chairman and as a member of the university governance committee.

What better way to memorialize the life of our beloved friend than by dedicating this year’s Alumni Association Golf Tournament to his memory? The Alumni Association also is establishing an alumni scholarship in his name to be awarded to deserving WCSU students.

We hope you will help us honor Neil and continue his tireless devotion to his alma mater by making a gift in his memory to the Alumni Association Scholarship Fund. Contributions can be made on the enclosed golf registration form.

Thank you for your support!
