

be the solution

Freedom from sexual harassment and abuse is your right.
It is also your responsibility.

Not Anymore is an online program that provides incoming students information and suggestions for avoiding or interrupting abuse, harassment, sexual assault, stalking, and other interpersonal violence. From recognizing it in a relationship to how to intervene as a bystander, **Not Anymore** offers information on what you need to be safer and more proactive.

For more information: www.wcsu.edu/CaRT.asp

*Complete the program before the start of classes.
