A TASTE OF DANBURY

For tasty Ecuadorian fare, Danbury's La Mitad del Mundo is hard to top. La Mitad del Mundo has plenty of fresh and healthy items on the menu for conscientious eaters.

"This restaurant is as close to authentic Ecuadorian food as can be. We had the caldas de bola soup (excuse my spelling!!) which was perfect and my fiancé had tripe which he loves. I had the pork llapingachos (again, excuse my spelling). Everything was authentic and the owner said hello and welcomed us with conversation. Very pleasant evening."
