Westside Student Center

**Western Connecticut State University**, founded in 1903, is just a one-and-a-half hour journey from New York City, three hours from Boston and a short, spectacular drive to skiing in Connecticut's beautiful Northwest Corner! . Campuses WestConn's two beautiful campuses, only a few miles apart, are distinctly different. Our 34-acre Midtown campus evokes both our 100-year history and our 21st century commitment to the future. Students stroll pleasant pathways across a center green; classroom buildings are only a short distance from parking garages and residence halls. And just off campus, small shops and fine restaurants are a short walk away. Courses also are offered at WestConn at Waterbury. Westside campus pours on the country charm. Woods and lawn surround the classroom building, residence halls, Westside Athletic Complex, Westside Campus Center, observatory and playing fields. Students commute via our convenient shuttle buses or by car for classes, games and university events. WestConn's new Science Building was chosen Best of 2006 by New York Construction Magazine. It is a state-of-the-art, 122,000-square-foot facility and the first state-funded project to receive Leadership in Energy and Environmental Design, or LEED, silver certification from the U.S. Green Building Council. As such, it is the university's premier example of its proactive focus on maintaining the health of our shared environment.

## Why WestConn?

Students thrive at WestConn, anticipating the leadership careers for which they've been prepared by the university's cutting-edge programs. Here at WestConn, we recognize that today's freshmen can and do rise to become tomorrow's top educators, corporate CEOs, TV personalities, environmental experts, jazz guitarists and political figures. That's why we design our degree curricula around a strategic blend of foundation courses that define their disciplines and state-of-the-art courses that derive from an ever-evolving body of knowledge. Faculty first; all else follows. The University offers 37 undergraduate programs and 17 master's degree programs. The already low cost to students may be supplemented by financial aid, which is used by 40% of all full-time students. Western has approximately 7,000 students, approximately 4,500 of them full-time undergraduates. Western has six residence halls offering co-educational and apartment-style living, which provide housing for almost 30% of undergraduates. The Housing Office will assist in making housing arrangements in the Danbury area.

## Athletics and Clubs

The 79,000-square-foot William A. O'Neill Athletic and Convocation Center opened in January of 1995. In 2005, the Westside Athletic Complex opened on the Westside campus. The WAC features a state-of-the-art SprintTurf surface, seating for 2,500, offices for coaches, a training and equipment room and several locker rooms.

Fourteen intercollegiate athletics programs are offered including football, women's and men's soccer, women's volleyball, women's tennis and field hockey in the fall; men's and women's basketball and women's swimming in the winter; and baseball, softball, men's tennis and men's and women's lacrosse in the spring. There are more than 60 student clubs and organizations on campus.
