Re: **Student Leadership Recognition Banquet – May 7, 2009**

Last year's Student Leadership Recognition Banquet was a splendid affair and all guests in attendance had a wonderful time. In order to make next year's 24th Annual Student Leadership Recognition Banquet as memorable, we once again have to ask for your organization's support. As in the past, we are asking student organizations for sponsoring donations. This year we added new sponsoring levels so more student organizations can be listed as sponsors and help make this banquet a memorable experience for all. Our new sponsor categories are:

Platinum Level - \$450 (down from \$500) will permit 10 additional guests.

Gold Level - \$230 will permit 5 additional guests.

Blue Level - \$100 will permit 2 additional guest.

Please consider making a donation for this special event.

Please present this request for sponsorship and funding to your organization and have your Treasurer transfer the amount approved by your organization to account #300505 (Student Leadership Recognition Banquet account) by **March 31, 2009**.

In the case of student organizations, the appropriate paperwork needs to be submitted for signature to Dr. Paul M. Simon; in the case of the residence halls, the paperwork needs to be submitted to Mr. Ron Mason. Thank you for your continued support.
