**Aaron and Andrew**  
Pop / Rock

The Connecticut based duo, Aaron and Andrew, have a diversified appeal that has allowed them to perform at colleges, clubs and listening rooms throughout the east coast. They combine the musical landscapes of Snow Patrol and Coldplay with the lyrical optimism of the Fray and traces of the Postal Service's electronic sounds.

With his soaring vocals and incredible energy he captivates those in attendance, then he connects with his audience on a personal and intimate level engaging them on another level that most artists do not. Momentum is growing with every show, overflowing with a tremendous amount of entertainment, creating a unique atmosphere that people want to be apart of over and over again.
