### Expected Behavior

It is important that parents/guardians realize that they are responsible for their child's behavior while visiting campus. It is our expectation that parents/guardians will discuss appropriate behavior before the weekend of the visit. We absolutely require a telephone number where parents/guardians can be reached in the event of an emergency. Should a sibling be involved in inappropriate or unlawful behavior, the result will be dismissal from the program and immediate notification of parents/guardians by the staff. The Student Life Office and the Office of Housing and Residence Life thank you in advance for the cooperation in assuring that the Western Connecticut State University siblings respect our campus.

I, the parent or duly authorized guardian of \_\_\_\_\_, do hereby release Western Connecticut State University from all liability while the sibling(s) named above attend Siblings Weekend 2012, held on April 13-15, 2012. This includes attendance at any on-campus or off-campus events. This also includes public transportation or in vehicles driven by WCSU employees or representative to and from designated activities. I, the undersigned, am aware of the dangers associated with travel by motor vehicle or other conveyance while in transit. It is further acknowledged that I have read and understand the "Expected Behavior" clause for all participating children and have conveyed to my child/children that it is expected that all campus rules, as well as local and state laws, be followed. I understand that university officials reserve the right to remove participants should their behavior be inappropriate.
