Tuition and Fees Payment Deadline Change Dates

Please note these important dates: Spring 2011 bills will be posted on-line on November 19, 2010 and payment is due in full on December 17, 2010. Students who register on or after December 17, 2010 will be expected to pay at the time they register.

► **General Education Courses**

40524 ENG 106W-71 Intro. To Fiction (Writing Intensive) 3 SH

R 6:45 – 9:15 p.m.
H. Gunnoud Founders Hall 208

Study of representative novels and short stories in order to develop students' abilities to read prose fiction carefully. The course informs students' understanding of how the literary form suits both an author's and an age's aesthetic. Prerequisite: WRT 101 or equivalent or placement exam. General Education: Humanities/Literature.

41147 HPX 290-71 Body Therapies and Meditation 1 SH

W 5 – 9 p.m. (3/28 – 5/21)
J. Dreyer Founders Hall 204

This introductory course explores various forms of bodywork and focused mindfulness. The class will cover the following topics: massage iridology, reflexology, acupressure, body movement (Tai Chi), meditation, visualization and guided imagery. An experiential component is included.

41103 HPX 292-71 Naturopathy, Homeopathy, Herbs & Nutritional Self-Care 1 SH

M 5 – 9 p.m. (3/28 – 5/21)
J. Dreyer Founders Hall 208

This course will examine the areas of naturopathy, homeopathy, herbs and nutritional self-care.

41214 HIS 270-71 Christianity 3 SH

W 5 – 7:30 p.m.
B. Needle Founders Hall 202

A dialogue analyzing Christianity as a cultural, political and social phenomenon and assessing its transcendent value for the individual. General Education: Humanities/Western History.

40394 MAT 115-71 Intro. To Biostatistics 3 SH

R 4 – 6:30 p.m.
W. Barrett Founders Hall 205

Primary focus is on statistical comprehension of the research aspects of current nursing, medical and other health-related literature through an understanding of statistics utilizing the computer. Not open to students who have passed MAT 120. Prerequisite: "C" or higher in MAT 100 or appropriate test score. General Education: CS/Mathematics.

40834 PS 104-72 World Governments, Economies and Cultures 3 SH

M 5 – 7:30 p.m.
P. Wagner Founders Hall 202

40834 PS 104-72 World Governments, etc. cont'd.

Political, historical, economic and socio-cultural perspectives are used to examine the problems and prospects of the contemporary world. Course topics will be selected in terms of current global issues and developments. Listed as behavioral and social sciences general education elective. Every semester. General Education: Social Sciences.

40940 PSY 203-72 Clinical Psychology 3 SH

T 6 – 8:30 p.m.
J. Chen Founders Hall 208

A course which focuses on theories, diagnostic techniques and treatment modalities in the field of clinical psychology. Consideration will also be given to social, legal and philosophical issues in the assessment and treatment of mental illness as well as in problems of daily living. Every semester. Prerequisite: PSY 100. General Education: Behavioral Sciences.

41146 SOC 298-01 Adolescent Experience in the School System 3 SH

W 6:30 – 9 p.m.
L. Bianchi Founders Hall 208

This course will introduce students to the development processes, social context, diversity, psychological and educational implications of the life stage called "adolescence". Specifically, this course will focus on the development of the adolescent in the school environment. Topics will include physical, intellectual, personality, sexuality, emotional and social adjustment of the adolescent in school. General Education: Social Sciences.

► **Business Courses**

40911 MGT 350-71 Management Negotiations 3 SH

T 8 – 10:30 p.m.
A. Ciarleglio Founders Hall 202

This course will examine the theoretical explanations and practical applications of negotiation skills that are necessary to be an effective manager in a business or in a variety of other public and private organizations. The focus of the course will be on applied, experiential exercises in the form of role-plays, simulations, and case analyses. Prerequisite: MGT 250 and GPA 2.3 or higher.

40916 MGT 377-71 Supply Chain Management 3 SH

R 5:45 – 8:15 p.m.
M. L. Chuang Founders Hall 202

This course emphasizes a strategic, integrated approach to managing supply of materials, services or information. Students will learn innovative, process-oriented methods of contributing effectively to the organization's goals and improving the company's competitive advantage in a changing, entrepreneurial and global business environment. Prerequisite: MGT 320 and GPA 2.3 or higher.

40918 MGT 405-71 Small Business Entrepreneurship 3 SH

T 5:25 – 7:55 p.m.
F. Maidment Founders Hall 202

This course addresses entrepreneurship as it relates to initiating new business ventures. Special attention is given to developing workable ideas, funding, marketing and structuring new ventures as they support the development of a formal business plan. Entrepreneurial activities within large business organizations are also highlighted. Prerequisite: ACC 202, FIN 310, MKT 301, and GPA 2.3 or higher.

► **Nursing Courses: Open To RN Students Only**

NUR 221 Physical Assessment Across the Life Span 3 SH

Introduces concepts and techniques of physical assessment in the context of the nursing process. Laboratory experiences provide students with the opportunities to develop examination skills in preparation for clinical courses (2 hrs. lecture; 3 hrs. laboratory).

40982 Section 01

L. Dalessio Founders Hall 210

M 1:00 – 3:50 p.m. (lab)
L. Dalessio Founders Hall 210

40983 Section 02

M 4 – 5:50 p.m.
L. Dalessio Founders Hall 210

M 6 – 8:50 p.m. (lab)
L. Dalessio Founders Hall 210

40985 Section 04

T 4 – 5:50 p.m.
J. Palladino Founders Hall 210

T 6 – 8:50 p.m. (lab)
J. Palladino Founders Hall 210

NUR 336 The Human Health Experience 4 SH

Exploration of the human experience from an integrated perspective, with a focus on human responses to health, illness, and treatment, and corresponding nursing responses to foster healing, promote health, and maximize potential. Attention is given to developmental and cultural influences on human responses. Teaching-learning interventions and alternative/complementary therapies are selected as examples of nursing approaches to enhancing the adaptive response of clients. Case studies and clinical projects provide a means to apply theory to practice. Prerequisite: NUR 220, 221, 230 and 361 or permission of the instructor.

NUR 336 The Human Health Experience, cont'd.

41007 Section 71

M 4 – 7:30 p.m.
B. Padykula Founders Hall 204

41008 Section 72

R 6:30 – 10 p.m.
B. Padykula Founders Hall 204

NUR 361 Research Process in Nursing 2 SH

Exploration of the principles and concepts underlying the research process as it is used in conducting empirical nursing research studies. Analysis and critique of extant nursing research, with an emphasis on evaluation of research for application in practice. Prerequisite: admission to the nursing major, MAT 115 and 120. Corequisite: NUR 255.

41012 Section 71

M 7:30 – 9:20 p.m.
R. Goodrich Founders Hall 204

41221 Section 73

R 4 – 5:50 p.m.
B. Piscopo Founders Hall 210

41015 NUR 374-71 Leadership and Management in Contemporary Nursing Practice 2 SH

R 4 – 5:50 p.m.
J. Palladino Founders Hall 204

Application of the principles of leadership and management within the context of professional nursing practice. Roles of the professional nurse as assertive leader, manager of resources and patient care, and change agent are explored. Prerequisite: NUR 255. Corequisite: NUR 335.

41021 NUR 375-71 Nursing Practicum 5 SH

R 6 – 7:50 p.m. (clinical TBA)
B. Piscopo Founders Hall 210

Capstone course in the practice of professional nursing, addressing issues related to entry into professional practice and the contextual issues surrounding health care delivery. Clinical experiences allow students to practice the full role of the professional nurse under the guidance of a clinical preceptor and faculty mentor. (1 hr. lecture, 1 hr. seminar, 135 hrs. clinical laboratory) Pre- and corequisites: all required Registered Nursing program courses.

Avoid disappointment

Register early! We cancelled the class because we didn't know you wanted it! Please register at least two weeks in advance of the start date of classes (by January 10, 2011).
