

*Home from the War:
Readjustment Issues facing Returning OEF/OIF
Veterans*

2 pm Friday April 24

**WCSU Science Building, Midtown Campus
Lecture Theater 125**

Come and listen to a FASCINATING talk on the special issues faced by our returning veterans as they come back from their experiences serving our country in Iraq, Afghanistan and other missions.

Marc B. Goldstein, Ph.D., Psychology Department
Central Connecticut State University

Dr. Goldstein is a graduate of the University of Michigan and teaches Community and Ecological/Environmental Psychology at CCSU. He will be reporting on the results of a statewide needs assessment conducted by CCSU under the auspices of the Connecticut State Department of Veterans' Affairs.
