Elementary Education Program

English Major

Students must maintain a minimum G.P.A. of 3.0. Grades from other institutions will be used to calculate the cumulative G.P.A. for admission to and retention in the education program. WCSU graduation requires a minimum 3.0 G.P.A. on WCSU coursework.

Students in Elementary Education complete two majors—Elementary Education and an academic Arts & Sciences major. Students must meet all general education and professional education requirements listed on this program sheet, and must complete the academic major as noted below.

Formal admission to the Elementary Education Program by the Education Department is required. Student will earn a Bachelor of Science degree in Elementary Education. The second or Arts & Sciences major will also be noted on the official transcript. A minimum of 128 semester hours is required for a B.S. degree. Passing Praxis I (or a waiver) is required before admittance to the Elementary Education Program will be granted. Although not a requirement for graduation, passing scores on the appropriate Praxis II exam(s) are necessary for program completion and subsequent recommendation for certification.
