Requirements for the minor:

An average GPA of 2.0 in all minor courses must be maintained in order to fulfill the requirements of the minor.

A minor provides an option for the student who wants an academic focus in addition to a major. A student may not declare a minor that is the same as his/her major (e.g., a student majoring in History may not also declare a History minor). Students must complete nine credits at WCSU to meet the residency requirement in the minor.
