WCSU/NVCC Transfer Course Equivalency Changes Effective Fall 2010

To: Steve Goetsch, Director, Admissions

From: Ellen Durnin, Dean, Graduate Studies and External Programs

CC: Linda Rinker, Provost/Vice President Academic Affairs
                Richard Montague, Dept. Chair, Management Information Systems
                William Hawkins, Enrollment Management Officer, Admissions
                Maureen Gamache, External Program Coordinator, WestConn at Waterbury
                AnnMarie Puleo, Assistance Director of Admissions, WestConn at Waterbury
                Mitch Holmes, Business Division Director, NVCC

Date: June 10, 2009

Recently I hosted a meeting at WestConn at Waterbury with Rich Montague, WCSU Chair MIS, Mitch Holmes, NVCC Business Division Director and Henry Cipriano, NVCC Computer Information Systems Chair to discuss transfer and articulation of MIS courses. As a result of this meeting, listed below are transfer course equivalency changes between Naugatuck Valley Community College and WestConn. These changes are not to go into effect until **Fall 2010**. Until that time WCSU will continue to accept the NVCC courses listed in the first box for transfer. NVCC transfer students applying for Fall 2010 or later should be advised of these changes.

Currently listed on Website:

CS 108 Micro as a Productivity Tool (Credits: 3.0)	MIS 260 Information Systems Concepts (Credits: 3.0)
CSA H105 Intro to Software Applications (Credits: 3.0)	MIS 260 Information Systems Concepts (Credits: 3.0)
CSC H101 Introduction to Computers (Credits: 3.0)	CS 991 Gen Educ Comp Sci Elective (Credits: 3.0)
