READ THIS FIRST!

TO CONFIRM YOUR SEAT IN OUR FALL 2022 CLASS, YOU MUST REVIEW, COMPLETE AND SUBMIT THE FOLLOWING:

- 1 **ENROLLMENT FORM/CHECK LIST** (page 3)
Read carefully, sign and bring or send applicable forms/ payments to: Admissions Office, WCSU, 181 White St., Danbury, CT 06810. A postage-paid envelope is included for your convenience. The checklist must be completed and sent in even if you have paid the fee(s) online.
- 2 **COST & PAYMENT OPTIONS** (page 5)
Please review this page for tuition amounts and methods of payment.
- 3 **HOUSING APPLICATION** (pages 6 – 8)
Complete online application if you intend to reside on campus.
- 4 **PLACEMENT TESTING** (page 9 and insert)
You may be required to take math or writing placement tests before registering so that we can determine your skill levels. No action is needed unless you are required to take the test(s). See the enclosed form for specific details.
- 5 **HEALTH FORMS** (pages 10 – 12)
Review this important information, and then complete and submit the form as required.

WCSU Student Account

Newly admitted students will be sent an email from mim@wcsu.edu to the email address they provided Admissions, with instructions on how to activate their WCSU Account. Please check that email and follow the instructions. If you experience any issue setting up the account, please contact our service desk at RequestIT@wcsu.edu or call them at (203) 837-8467.

COURSE REGISTRATION*

First-time freshmen:

All Freshmen are pre-registered for courses based on their major and placement test information. Each schedule is built purposely, based on WCSU graduation requirements, individual program requirements, and any prerequisite course requirements needed to build a strong academic foundation so you can be prepared to take the next set of courses recommended by your advisor next semester.

Each first time freshman will be registered for a First Year Experience course that will teach students about the culture, policies, and opportunities available to all WCSU students. These courses are exciting opportunities to learn about WCSU and meet new people!

Freshmen who have deposited on-time can expect to have access to their schedules mid-summer. All students will be notified as their schedules are available through their email attached to their applications.

Students can make appointments to meet their advisor as early as the first week of the semester. If you have questions before then, please reach out to the Advisement Center and one of our professional advisors will assist you.

Transfer students:

Be sure that WCSU has the transcripts from all the schools you have attended in order to receive credit for classes. This will also assist with registration by verifying that you have met the pre-requisites for courses.

Transfer students will have the opportunity to work with their department or a professional advisor for advisement and registration. The Advisement Center will assist all transfer students with this process. Transfer students can self-register through their WCSU BannerWeb accounts using the six-digit registration PIN provided during their advisement session. Any student who would like further assistance can reach out to the Advisement Center for more support.

Please review your schedule and the course catalog. If you believe you are registered for a course that is similar to something you have taken at another school, please ask for a review of your transfer credits so you don't repeat a course for which you have received transfer credits.

** You will not be allowed to register for classes until your tuition deposit has been paid in full.*

FOR STUDENTS WITH DISABILITIES

Western Connecticut State University is committed to the full participation of all students in its programs. Any student who feels they may need a specific accommodation based on the impact of a documented disability while attending WCSU should contact the Office of AccessAbility Services to coordinate reasonable accommodations.

- AccessAbility Services contact information:
- (203) 837-8225 [phone]
- (203) 837-3235 [TTY]
- Midtown campus, White Hall Room 005

Your offer of admission is for the Fall 2022 semester only and is contingent upon the successful completion of any courses currently in progress.

FINANCIAL AID AT WCSU

When to Apply

The Free Application for Federal Student Aid (FAFSA) for 2022-2023 became available on October 1, 2021. To qualify for priority packaging financial aid consideration, you must be accepted to the university and have a processed and valid FAFSA on file with the Office of Financial Aid on or before March 1. It is recommended that you submit your FAFSA as early as possible in order to meet the deadline. Be advised that it takes 3 to 5 business days for your FAFSA to be completely processed and for WCSU to receive the information.

Be sure to include WCSU's **Federal School Code (001380) on your FAFSA.** Financial aid award offers are made based on the availability of funding at the time of packaging.

How to Apply

Create an FSA ID for the Student and Parent (as applicable) at **studentaid.gov**.

Complete and submit the 2022-2023 FAFSA at **studentaid.gov**. Use the IRS Data Retrieval Tool available when completing your FAFSA to ensure accurate and timely processing of your financial aid application.

If your FAFSA is selected for verification by the U.S. Department of Education, additional information may be requested of you in order to process your financial aid. To expedite the federal verification process, we have partnered with Inceptia, a non-profit organization, and will use a Verification Gateway online portal. If you are selected for verification, you will receive an introductory email to the email address you provided on the FAFSA. It is suggested that you do not use an email affiliated with your high school.

For more information on Financial Aid at WCSU visit **wcsu.edu/financial**.

3. HOUSING APPLICATION

WELCOME TO CAMPUS LIVING AT WCSU!

Complete your Housing Application Online through the Housing Portal: <https://www.wcsu.edu/housing/forms-2/>

As a new, first-year or transfer student living in one of our residence halls, you'll have lots of opportunity to get to know your campus and to make friends with fellow residents. You'll have easy access to classes, campus activities and dining facilities, as well as to the university's many services and special events.

Housing Options

MIDTOWN CAMPUS

WCSU's Midtown campus, in the heart of Danbury, offers the classic design of stately buildings surrounding the Quad, and has three co-ed residence halls:

Fairfield Hall Offline for the 2021-2022 academic year.

Newbury Hall, tallest of Midtown's buildings, comfortably accommodates men on the second and fifth floors, and women on the third and fourth.

Litchfield Hall is a recently renovated traditional-style residence hall housing both men and women.

Each residence hall provides lounges (some have kitchenettes) with TVs and recreation equipment. All rooms have cable hookups. Hall councils plan activities, and there are laundry facilities.

Midtown residents enjoy eating in the Student Center Restaurant, with meal-exchange privileges at Westside's Campus Center. Delicious, fresh meals are provided by Sodexo Dining Service.

WESTSIDE CAMPUS

This beautiful, 364-acre campus is on Danbury's west side, and is home to three distinctive suite-style residence halls:

Pinney Hall is a 430-person, apartment-style building. Units house five students and have three bedrooms, two bathrooms, a living/dining area, full kitchen and balcony.

Grasso Hall's four-person apartments consist of two bedrooms, a living/dining room, kitchen and bathroom.

Centennial Hall's suite-style living spaces accommodate four to five students per unit. All units include two bedrooms, plus living room and bathroom. Suites do not have kitchens, so residents enjoy their meals in the nearby Campus Center.

OTHER IMPORTANT INFORMATION

All admissions and housing deposits must be made as soon as possible. Included with these must be your completed checklist, housing application (submitted online) and immunization forms. Confirmation of your meningitis vaccination (received within the past five years) must be on file with WCSU's Health Service before you can select a room and meal plan. For the 2021-2022 academic year, you will also need to submit proof of your COVID vaccination status to the Health Services Office.

Meal plans are required for all students residing in residence halls.

For more information on housing and/or dining plans, please visit [wcsu.edu/housing](https://www.wcsu.edu/housing).

4. PLACEMENT TESTS

Western Connecticut State University uses a placement test to assist us in placing you at the appropriate level in Writing and Mathematics/Computer Science courses. This testing is required even if you do not plan on enrolling in a mathematics or writing course for your first semester; you cannot register for classes until you have completed this required testing.

THE TEST(S) YOU MUST TAKE ARE INDICATED BELOW:

a. Writing Placement Procedures

1. SAT Reading and Writing score 600 or higher or ACT English score of 27 or higher = A Writing Intensive course.
2. Both SAT Reading and Writing score less than 600 with at least 440 = WRT 101: Composition I, The Habit of Writing.
3. SAT Reading and Writing score of 430 or lower or an ACT English score 17 or lower = Composition 101P.
4. Students registering without SAT or ACT scores will take the Placement Essay Examination.

b. Math Placement Information:

1. SAT math score 520 and below ACT math score 1 – 17 = MAT 100P, Intermediate Algebra Plus
 2. SAT math score 530 – 560 or ACT math score 18 – 21 = MAT 100, Intermediate Math.
 3. SAT math score 570 – 610 or ACT math score 22 – 23 = General Education Math Placement.
 4. SAT math score 620 and higher or ACT math score 24 – 36 = Calculus placement (or any General Education math course).
- c. If you have taken an equivalent writing or math course at an accredited institution and have earned a grade of "C" or better, you may be exempt from Writing or Math placement tests. *An official transcript must be on file in the Admissions Office.*

TESTING SCHEDULE

PLEASE CHECK THE FOLLOWING WEBSITE FOR UPDATED PLACEMENT TESTING INFORMATION

www.wcsu.edu/admissions/placement/

IMPORTANT INFORMATION

- a. Take the test sooner rather than later to avoid long wait periods and conflicts with course registration.
- b. Note testing start times – *and don't be late!* Students arriving late may not be permitted to take the test.
- c. Photo identification and your student ID number are required at the time of the test.
- d. If the university is closed for any reason on your test time or date, that testing session will be cancelled.
For weather closings, visit wcsu.edu (there will be a banner across the top of the page indicating a closure).
- e. Testing is held on the Midtown campus. For driving directions to campus, please visit wcsu.edu/directions.

STUDENTS WITH DISABILITIES

Western Connecticut State University is committed to access for students with disability. Incoming students may be required to take math or writing placement exam(s). The math placement test is an untimed assessment, while the writing placement test has a time limit of 50 minutes. Should you require accommodations due to a disability on a placement test, you must contact AccessAbility Services 2-3 weeks in advance. AccessAbility Services (AAS) engages in an interactive process with each student and reviews requests for accommodations on an individualized, case-by-case basis. Depending on the nature of the functional limitations of the student's documented disability, he/she may be eligible for accommodations. You may contact AAS by calling (203) 837-8225 (voice), (203) 837-3235 (TTY) or by e-mailing aas@wcsu.edu. Detailed information regarding the process to request accommodations is available on the AAS website at www.wcsu.edu/accessibility.

For all other questions regarding testing, please call University Admissions at (203) 837-9000 or visit us online at wcsu.edu/admissions/placement_tests.asp.

5. HEALTH SERVICES

Health Services is located in front of Litchfield Hall on the university's Midtown campus. It provides full-time students with primary care and health education. Office hours are Monday through Friday, 8 a.m. – 4 p.m. Visits are at no cost, although a nominal fee will be charged for some services. These charges will be billed to your tuition bill as a general health service fee. Fees for services outside of the Health Services office such as those for prescription medications, x-rays, referrals to specialists, or emergency department care, ambulance transport and hospitalization, are the responsibility of the student.

All students must submit the Connecticut State University Student Health Services form, which includes the state mandated immunizations: two Measles, two Mumps, two Rubella, and two Varicella vaccines. This form (which is attached) is required before the start of classes.

Additionally, students who plan to live on campus must also submit proof of a Meningitis vaccine within five years prior to receiving a room assignment.

Failure to comply with the state-mandated immunization requirements will result in a blocked registration/hold for the following semester.

All health requirements can be dropped off at the Health Services office. Forms can also be mailed or faxed to the Health Services office:

181 White Street
Danbury, CT 06810
FAX: (203) 837-8583

Some academic programs may require additional immunizations or examinations prior to the student's participation in an internship or other assignment. For more information about Health Services, the immunization requirements, or the CSU Student Health Services form, please visit: wcsu.edu/healthservices.
