Each schedule is thoughtfully created featuring courses and requirements recommended by academic departments.

During New Student Orientation, students will be guided through how to access and view their schedule. Please note, schedules may not be finalized at the time of Orientation. Once completed, students will receive an email from the University Advisement Center.

FINANCIAL AID AT WESTERN

When to Apply

The Free Application for Federal Student Aid (FAFSA) and the Aid Application for CT Undocumented Students (AACTUS) will become available in **October 2025**. To be considered for financial aid, you must be accepted to the university and have a processed and valid FAFSA/AACTUS on file with the Office of Financial Aid on or before **March 1**. It is recommended that you submit your FAFSA as early as possible in order to meet the deadline. Be advised that it takes up to 5 business days for your FAFSA/AACTUS to be processed.

Be sure to include **WCSU's Federal School Code (001380) on your FAFSA**. Financial aid award offers are made based on the availability of funding at the time of packaging.

How to Apply

Create an FSA ID for the Student and Parent (as applicable) at studentaid.gov.

Complete and submit the 2025-26 FAFSA at studentaid.gov. Use the FA-DDX IRS Data Exchange available when completing your FAFSA to ensure accurate and timely processing of your financial aid application.

If your FAFSA is selected for verification by the U.S. Department of Education, additional information may be requested of you in order to process your financial aid. To expedite the federal verification process, we have partnered with Inceptia, a nonprofit organization, and will use a Verification Gateway online portal. If you are selected for verification, you will receive an introductory email to the email address you provided on the FAFSA. It is suggested that you do not use an email affiliated with your high school.

3. HOUSING APPLICATION

WELCOME TO CAMPUS LIVING AT WCSU!

Complete your Housing Application Online through the Housing Portal: https://wcsu.datacenter.adirondacksolutions.com/wcsu_thdss_prod/

As a new first-year or transfer student living in one of our residence halls, you'll have lots of opportunities to get to know your campus and to make friends with fellow residents. You'll have easy access to classes, campus activities and dining facilities, as well as to the university's many services and special events.

HOUSING OPTIONS

MIDTOWN CAMPUS

WCSU's Midtown campus, in the heart of Danbury, offers the classic design of stately buildings surrounding the Quad, and has three co-ed residence halls. All of our residence halls are equipped with laundry equipment that our residents are able to use without additional cost.

Fairfield Hall The smallest of our Midtown residence halls, accommodates both men and women on separate floors and/or wings. Fairfield Hall (FH) recently underwent a renovation to the main entrance that is meant to create an environment that fosters collaboration and fun while reminding us of its vibrant past.

Litchfield Hall is our most recently renovated traditional-style residence hall, housing both men and women First-year students. LH offers a beautiful inside courtyard and lots of lounges with space for social activities.

Newbury Hall is a five story traditional style residence hall housing both men and women First-year students. The upper floor lounges offer excellent views of the Midtown Campus.

Each residence hall provides lounges (some have kitchenettes) with TVs and recreation equipment and laundry facilities. All rooms have cable hookups and streaming service. Hall councils plan and implement fun activities throughout the school year.

Midtown residents enjoy eating in the Berkshire Hall Dining Facility, with meal-exchange privileges at Westside's Campus Center. Delicious, fresh meals are provided by Sodexo Dining Service.

WESTSIDE CAMPUS

This beautiful, 364-acre campus is on Danbury's west side, and is home to three distinctive suite-style residence halls:

Centennial Hall's suite-style living spaces accommodate four to five students per unit. All units include two bedrooms, plus living room and bathroom. Suites do not have kitchens, so residents enjoy their meals in the nearby Campus Center.

Pinney Hall is a 430-person, apartment-style building. Units house five students and have three bedrooms, two bathrooms, a living/dining area, and full kitchen. (Note: *Limited availability due to renovations*).

Grasso Hall's four-person apartments consist of two bedrooms, a living/dining room, kitchen and bathroom.

OTHER IMPORTANT INFORMATION

All admissions and housing deposits must be made as soon as possible. Included with these must be your completed checklist, housing application (submitted online) and immunization forms.

Confirmation of your meningitis vaccination (MenACWY)/Menactra/MCV4) (received within the past five years) must be on file with WCSU's Health Service before your room can be selected. This information should be submitted as soon as possible in order to select a room assignment. Meal plans are required for all students residing in residence halls.

4. HEALTH SERVICES

Health Services is located on the university's Midtown campus. It provides students with acute care and health education. Office hours are Monday through Friday, 8 a.m. – 4 p.m. Visits are at no cost, although a nominal fee may be charged for some services. These charges will be billed to your tuition bill as a general health service fee. Fees for services outside of the Health Services office such as those for prescription medications, x-rays, referrals to specialists, emergency department care, ambulance transport and hospitalization, are the responsibility of the student.

All students must submit the Connecticut State University Student Health Services form, which includes the state mandated immunizations: two Measles, two Mumps, two Rubella, and two Varicella vaccines. This form (which is attached) is required before the start of classes. Additionally, students who plan to live on campus must also submit proof of a Meningococcal ACYW vaccine within five years prior to receiving a room assignment.

Failure to comply with the state-mandated immunization requirements will result in a blocked registration/hold for the following semester.

Some academic programs may require additional immunizations or examinations prior to the student's participation in an internship or other assignment. **For more information about Health Services, the immunization requirements, or the CSU Student Health Services form, please visit: wcsu.edu/healthservices.**
