

What do I do if I receive an error message when attempting to register?

ERROR MESSAGE	EXPLANATION	ACTION NEEDED
Class Restriction	The enrollment is limited to specified class year(s) per the catalog. Ex. Junior, Senior	Choose another course or ask the instructor to grant a course override. If you receive a course override, you can then add the course online.
Closed Section	The enrollment limit has been reached.	Choose another section or another course or ask the instructor to grant a course override. If you receive a course override, you can then add the course online
CRN does not exist	The 5-digit CRN you entered is not valid.	Check Open/Close for the correct CRN.
Level Restriction	The enrollment is limited to undergraduates or graduates per the catalog.	Choose another course or ask the instructor to grant a course override. If you receive a course override, you can then add the course online
Major Restriction	The enrollment is limited to specified major(s) per the catalog.	Choose another course or ask the instructor to grant a course override. If you receive a course override, you can then add the course online
Maximum Hours Exceeded	You are attempting to register for too many credits.	During registration, full-time students may register for a maximum of 17.9 credits. Part-time students may register for a maximum of 12 credits. Discuss with your advisor which courses you should prioritize in order to determine which class you should not register for.
Repeat Count Exceeds 0	You are attempting to register for a course that you have already completed.	Choose another course. If you are repeating a course to achieve a higher grade (discuss with your advisor first), you will need an override to be entered by the Registrar's office.
Time Conflict	The meeting time overlaps with another course's meeting time.	Choose another section or another course.
