# Spring Event

**April 25, 2018, at 4 p.m.**

**Location: White Hall 122**

**Guest Speaker: Jennifer DiBlasi BSN, RN  
"Hospice: The Basics and Benefits"**

Jennifer DiBlasi earned her BSN from Western Connecticut State University in 2017. She is the Team Manager for VITAS Healthcare's footprint in the northwest part of Connecticut, including the hospitals in New Milford, Bristol, Southington and Torrington. Prior to her four years at VITAS Healthcare, the nation's leading deliverer of hospice services, Jennifer spent six years in hospital-based nursing (mostly, medical-surgery) after earning her Associate in Nursing from Naugatuck Valley Community College in 2007. In addition to her rewarding nursing career, Jennifer spent 7 ½ years in an equally satisfying capacity as a veterinary technician.

The WCSU Alumni Nursing Society would like to thank VITAS Healthcare for providing the guest speaker for the spring event. We greatly appreciate their support.

*The Senior Class will present their Capstone Projects. Also, students from the first study abroad course to Greece will share their experiences and what they learned about health care in Greece.*
