Academic Honesty Policy

Students are obligated to demonstrate honesty in carrying out all academic assignments. You are expected to maintain the academic integrity of the university by following the [policy](#).

Academic Support

To get tutoring, writing assistance, math help or help with research, you can use the one-stop [academic support website](#) also called Help is here!

AccessAbility Services

The Ancell School is committed to providing reasonable accommodations for students with documented disabilities on an individualized and flexible basis. AccessAbility Services determines reasonable accommodations through consultation with the student. Students requesting accommodations should visit AccessAbility as early as possible in the semester to obtain a letter which describes approved accommodations. The student must have their professors sign the letter and return it to AccessAbility.

Faculty need not allow accommodations retroactively. This means that students must take responsibility for arranging necessary accommodations before an assignment is due. Some students become disabled or are diagnosed after a semester starts, in which case they may present an accommodation letter during the semester.

Should your professor decline to sign your letter, contact [AccessAbility](#) promptly.

AccessAbility Services is located on the Midtown campus, Higgins Annex 017. The phone number is (203) 837-8225.

Changing Your Schedule

[Rules for changing your schedule](#) are specific and listed online. This applies to add/drop, withdrawing from a class and withdrawal from the University.

Adding and Dropping a Course:

Students may change their schedules throughout the registration period. Please see the [Registrar's website](#) and the "[Changing Your Schedule](#)" website for complete, current information. Because Graduate classes usually meet only once per week, be careful to make changes to your schedule as soon as possible.

Withdrawing from a Course:

Please visit the Registrar's website for the most relevant, current information regarding [withdrawing from a course](#). Depending on course length, the last date to withdraw without penalty varies. Withdrawals are recorded on your transcript with a grade of "W". There is no GPA penalty attached to this grade. Be sure to review the website carefully or contact the Registrar's office for more information.

NOTE: You must officially withdraw from a course to avoid receiving a failing grade. If you just stop attending the class without following the necessary procedure, you will be given a failing grade.

Withdrawal from the University

To officially [withdraw from the university](#) and/or request a leave of absence, you must fill out an official form. You may still be responsible for payment unless you withdraw by the deadline.

Class Cancellations and School Closures

WCSU has a system in place for notifying students of delays, closures and cancellations in case of inclement weather or other emergencies. Sign up for the [Emergency Notification System](#). You will receive an email and/or phone call announcing delays and closings. Students can check the following resources for announcements:

- WCSU homepage
- WVIT-TV 30 Hartford, CT
- WFSB-TV 3 Hartford, CT
- WTNH-TV 8 New Haven, CT
- WTIC-TV Fox 61 Hartford, CT AM Radio Stations:
- WLAD 800 Danbury, CT
- WCBS AM 880 New York, NY
- FM Stations:
- WXCI FM 91.7 WCSU
- Weather Websites:
- [CTWeather.com](#)

Note that if the university announces a delay, your class will still meet from the delay time through the normal ending time, unless you are otherwise notified by your professor. A delayed opening does not mean that the activity is cancelled. Early closings mean that all classes or activities will end at the time specified, regardless of original ending time.

Computer/Network Access

Both campuses have wireless capability, but you will need a university account to access the network. You will log in using your Microsoft ID and password.

If you need the use of a hardwired computer, the following places on campus offer desktop/laptop systems for student use:
