VERNAL POOL FELLOWSHIP

Flanders Nature Center and Land Trust
Fellowship Opportunity

Qualifications:

- Experience with GIS mapping would be beneficial.
- Should be able to work independently and collaboratively with staff and volunteers over the 10 week fellowship.
- The individual must be capable of navigating multiple sources of information and networking with experts in the field.
- The individual should be comfortable with field work.

The student will be supported and supervised by one or more members of the Flanders community. Flanders will provide a **stipend of up to \$3,000.**

Interested students should:

contact the PI at pinout@wcsu.edu and include a cover letter describing your research experience and interests, as well as a **CV by May 15th.**
