Cover Letter and Résumé Checklist

Use a job description (or relevant aspirational job description) to direct your unique résumé.

<u>For</u>	<u>Formatting</u>		
	Borders are even and spaced ½ to 1-inch on all sides		
	Format for Applicant Tracking System (ATS): Arial, Tahoma or Calibri font and no lines; minimize		
	caps/bold/italics		
	Main sections should be 10-12 pt. font size; dates are in same month/day format		
	Only include information for no more than 12 – 15 years so you do not risk looking old and outdated		
	Confirm hashes between all dates are formatted uniformly		
	Must be completely error free: check for grammar/typos		
	Do not use pronouns in a résumé; in cover letters you can		
<u>Hea</u>	der/Contact Information		
	Name includes first and last name; All CAPS; 14-16 font and bold such as JANE DOE and not Jane Doe		
	Format is clear, spaced, and neat; address is current; email address is professional looking; use Gmail accounts for email addresses ONLY		
	Phone number is a direct line, formatted like (203) 123-1234; ensure answering message is professional		
;	sounding and there is no music playing at any time		
	LinkedIn profile address is added and customized as some version of your full name; no numbers or		
	miscellaneous letters should be included		
Pro	file/Summary Statement		
	Goes directly above the Education (or Experience) section		
	Brief; written in bullets or short concise phrases; no sentences and no periods after any bullet point		
	Must give a short/concise snapshot of your experience and skills/qualifications that match the job description;		
	each job is different so each résumé you send out should be customized for the position in which you are applying		
	Do not list subjective opinions such as "Detailed-Oriented," or "Hard Working," etc.: Must have examples to list		
1	for the skills or attributes you say you have		
	Included most relevant technical skills in this section and not at the bottom of the page		
	Include the impact or what you have improved; what distinguishes you from everyone else?		
	Add Languages spoken/written; software knowledge, qualifying if relevant		
<u>Edu</u>	<u>ication</u>		
	If you are a student and have no relevant experience, place Education directly under your Profile/Summary		
	Spell out degrees and include major/minor, grad date (use "anticipated" if not yet graduated)		
	Example:		

Your School, Town, CT Bachelor of Science Degree in Psychology; Minor in Writing Anticipated date of graduation: May 20XX GPA 3.7/4.0

 ☐ If GPA is above 3.0 include it; Do NOT include GPA if it is less than 3.0; Do which it is calculated: GPA 3.7/4.0 ☐ List upper level coursework and international study if relevant; Do not list int courses that everyone takes because it is not optimal use of space ☐ List honors received upon graduation, if any: "Magna Cum Laude" ☐ Include certifications or 3rd party training achievements Experience ☐ All entries are in reverse chronological order ☐ Each entry must include company's name and city/state but no zip code; Include and state directly follow ☐ Bullet format: begin with powerful verb + brief description of work accomplisted bullet is concise description of activity and achievement; include most include menial job functions such as: "Open and closed," "Filled orders," "Or include what it was you accomplished while doing the job or task you had at the clubs, Organizations, Professional Affiliations, Volunteer, Sports, etc. ☐ Add if relevant and supportive of skills helpful to job to which you are applying List offices/leadership held within organizations ☐ This section is not required if there is no space available for it on the page Other Miscellaneous ☐ Use consistent verb tense: If experience was in the past, use past-tense Exclude irrelevant personal information ☐ Spell out acronyms and abbreviations that are not universally known; spell of etc. ☐ Check punctuation usage; appropriate use of capitalization; no periods at erconor to the people's names on your résumé ☐ Do not put your references or other people's names on your résumé 	not forget to include the scale in
