LEARN HOW TO PREPARE FOR CAREER FAIRS AND MAKE THE MOST OF YOUR EXPERIENCE

Use the follow checklist to prepare for WCSU career fairs as well as other career related events on, and, off-campus. Stop by the Career Success Center in the Campus Center building, Suite 300, anytime during Drop-In Hours, Monday through Friday, from 9 a.m. to 4:30 p.m. and meet with a Career Peer Leader if you have questions on how to make the most of your experience. The Career Success Center can help you prepare a résumé/cover letter, learn about professional attire, and how to begin a conversation with employers and other networking connections.

1 BEFORE THE FAIR
- Decide what it is you want to gain out of attending

Whether you are looking for a job or an internship, want to practice your elevator pitch, or just listen to the kinds of conversations that take place, the career fair is the perfect place to begin learning about opportunities and making connections with the companies and employers who could be of a benefit to you somewhere down the line.

☐ Learn what people are expected to wear and plan your attire. Clean and press the outfit you choose. Practice sitting and moving in it so you are confident.
☐ Learn which companies will attend. Look at the WCSU Career Success Center - Career Fair web page for a list of companies attending and research them before you arrive. Be prepared with good questions to ask.
☐ Perfect and bring several copies of your résumé, printed on professional résumé paper.
☐ Know what skills you have to offer. Be ready to discuss your background, qualifications and career goals.
☐ Practice your elevator pitch. Be ready to alter it depending on the different companies and people you meet.

2 DURING THE FAIR

☐ Map your route. Locate which companies you want to meet and know your reasons why. Don't go to your #1 interest first.
☐ Make a good first impression. Approach with a smile, good eye-contact and extend a firm handshake. Be confident and exude enthusiasm.
☐ Stay organized. Take notes of who you spoke with and in which companies you want to learn more.

3 AFTER THE FAIR

☐ Make a list. Keep a list of contacts and companies in an excel sheet, along with dates, and follow-up instructions.
☐ Always say Thank You. Remember to email those who took the time to talk with you. Thank them for something you learned about their company. Tailor each message and reiterate your interest in their company and what you can do for them if they hire you.
☐ Follow Directions. Know what each company expects from you and follow-up when you say you will.
