

# HOW TO COMPLETE THE FIRST DESTINATION SURVEY

## Graduating Soon? We Need Your Input!

The First Destination Survey (FDS) is a national graduation survey sent to seniors across the country — and now it's your turn! It helps WCSU understand how well we're preparing students for life after graduation and what we can do better.

- ✓ Your answers are confidential
- ✓ You can update your responses anytime until the end of the year — we'll only use your final version
- ✗ If you don't complete it, you'll keep getting reminders (we can't remove your name)

## Why it matters:

Your honest, complete responses make a big difference — and as a thank-you, you'll be entered into a drawing to win a \$50 gift card once you fully complete the survey! (One entry per person, no matter how many times you submit.)

Ready to help shape the future of WCSU grads?

Follow the instructions below and take a few minutes to complete the survey!

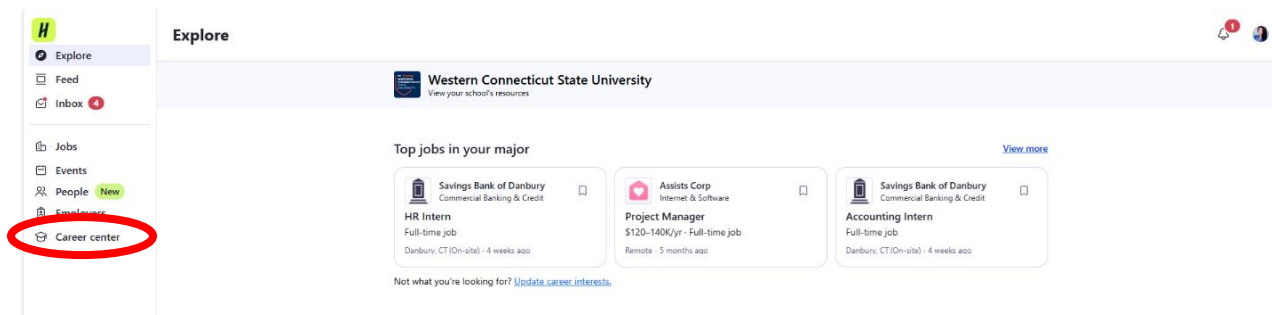

### STEP 1:

Log into your Handshake account at <https://wcsu.joinhandshake.com/login> or by using this QR code:

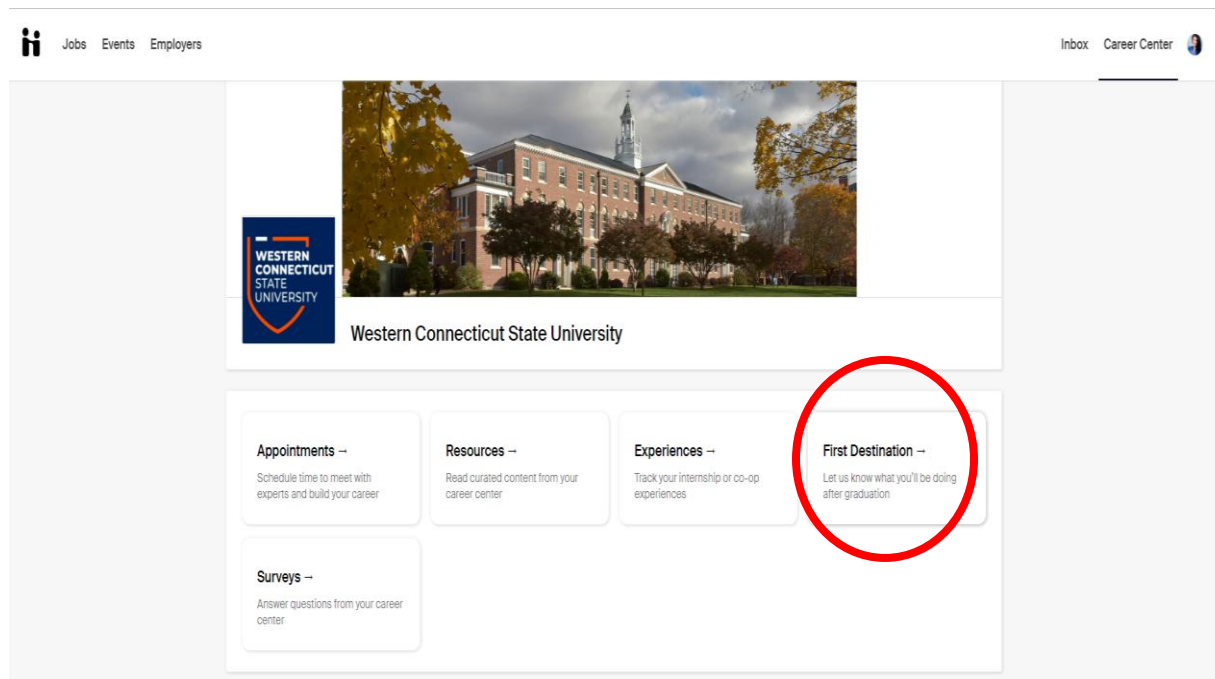

### STEP 2:

Go to the left-side toolbar and click **"Career Success Center."**

### STEP 3:

From there, click where it says, “First Destination,” and you will be prompted to complete your survey.

If you are at **Step 3** and do not see where it says, “**First Destination Survey,**” please email Debra Manente at [manented@wcsu.edu](mailto:manented@wcsu.edu) and include your:

- full name
- student I.D.#
- a brief message stating the problem...

and she will add your email address. Once done, you will receive an invitation to complete the survey.

***When completing your survey, please complete all fields, and all questions in their entirety and hit “Submit.” If you leave any questions unanswered, your survey will be incomplete, and you will not be entered into the drawing for a \$50.00 gift card.***
