January 19
Jen Vanderlyn
Folk Rock

One-half of the folk-rock duo Free Thought, singer/songwriter Jen Vanderlyn weaves unique stories of colorful characters into intriguing and catchy melodies. Reminiscent in sound and style of Fairport Convention and Joni Mitchell, Jen is currently promoting Free Thought's debut CD, "In Her Eyes," available on CD Baby and iTunes. freethoughtmusic.wordpress.com

"Today, Dion's original music is a surprising combination of catchy pop/rock hooks with brooding, raw emotionality. His songs draw upon personal experiences but speak to a greater audience about conflicting perspectives and desires. What distinguishes this young artist from others is his genuine lack of pretense and his guarded nature. He almost never reveals the backstories to his songs, encouraging his fans to find their own connection to the words."
