1. Announcements:
2. Approval of Minutes: May 2009 Minutes
3. Old Business:
 - a. FYE Update
 - b. MAPP Update
4. New Business:
 - a. FDS MAT 299 in Cryptology
 - b. Outlining of Goals/Objectives for General Education Categories as outlined in the "Intent to Include a Course in the General Education Curriculum." I propose that we generate goals/objectives for each of the categories of the general education curriculum. This will speed the work of the General Education Committee in terms of both course approval and assessment. This will also allow the committee to give guidance to the university community with regard to our expectations. Where possible this should be done using existing materials such as those attached.
 - c. Assessment of Foreign Language Requirement
