

Minutes - gen ed committee 10/9/09

Learning objectives

- Pruss distributed a draft for humanities
- Rocca distributed a draft for natural sciences, mathematics and computer science; will edit to rearrange information
- Brown suggested we include measurable terms/skills to fulfill each objective

Collecting information from the departments:

- Suggestion to provide examples of learning objectives
- Possibility of opening up gen ed areas to multiple departments
- Degree of content in course needs to be considered
- General objectives should have assessable activities

Five areas:

- Natural sciences, math
- Humanities
- Communication
- Social & behavioral
- Phys ed

For next meeting: committee members will write objectives for the departments/disciplines for which they feel comfortable as examples to distribute.

Adjourned 4:20 PM.
