

Post Election

Campus Community Safe Place

Join us in a supportive and welcoming space to process and reflect on the outcomes of the recent election. This event provides a safe environment where students, faculty, and staff can connect, share thoughts, and engage in open conversations about community, resilience, and unity. All are welcome to join as we build a compassionate and understanding community.

Light refreshments will be served.

November 13th
12pm - 1:30pm
