

2022 CACREP Vital Statistics Report
Masters of Science in Counselor Education
Clinical Mental Health Option
School Counseling Option

Western Connecticut State University is a public institution in the North Atlantic Region. We have two programs accredited under the 2016 CACREP standards – MS Clinical Mental Health Counseling (60 semester hours) and MS School Counseling (48 semester hours). CACREP national accreditation for the program extends to 2027. This survey is to be completed by all CACREP-accredited programs and must be publically reported in a program outcomes report for the program website. Data for this report was received from Western’s Office of Institutional Research and Assessment.
