A SPECIAL GIFT FOR YOU

P President's Club (\$1,000+)

Members of this group have made an annual financial commitment of at least \$1,000 to the WCSU Foundation without placing restrictions on the purpose of their gifts. These donations are allocated to the university's greatest needs. President's Club donors have placed their trust in the WCSU mission and remain some of our most faithful advocates.

F Fairfield Hall Society (\$500 - \$999)

Members of this group have made an annual financial commitment of at least \$500 to the WCSU Foundation without placing restrictions on the purpose of their gifts. With their support, these members enhance our students' collegiate experience and invest in our faculty's ever-evolving needs.

W WestConn Society (\$250 - \$499)

Members of this group have made an annual financial commitment of at least \$250 to the WCSU Foundation without placing restrictions on the purpose of their gifts. The earliest established giving arm of the WCSU Foundation, this group has for decades supported innovative programs, outreach opportunities and enrichment initiatives.

C Century Club (\$100 - \$249)

Members of this group have made an annual financial commitment of at least \$100 to the WCSU Foundation without placing restrictions on the purpose of their gifts. By far the largest participating giving group, these alumni, parents and friends provide an invaluable endorsement of a WCSU education.

L Loyalty Society

Members of this group have given to WCSU for at least five consecutive years, regardless of the amount. We count on these loyal donors who heartily believe in the university and do tremendous good through the simple act of contributing annually.

DONOR HONOR ROLL

July 1, 2020 – June 30, 2021

Dear Friends,

Cory Plock

Please accept our thanks and gratitude for your generosity toward Western Connecticut State University as together we look toward the future. WCSU students who have benefited from scholarships, internships and other learning opportunities are the proof that your gifts make a difference for the state and even the country.

Many of our students will build their lives in Connecticut after graduation while some fan out across America. Each will bring with them the knowledge and skills learned at a vibrant university where they could achieve an expansive education at an affordable price.

That's life changing, and you have supported this transformation.

Many of you are yourself alumni, but others have come to know us through impressive students and faculty. However you came to the decision to donate to the WCSU Foundation, know that you have made a difference.

The 2020-21 Honor Roll listed in this publication recognizes your investment in WCSU students. As part of the university community, you helped these young people in their journey as they learn how to think and solve problems, skills that will benefit them in work but also as they exercise their rights as citizens and raise families. I'm sure you join me in looking forward to all the good they will achieve.

Sincerely,

Cory Plock '98

You can make a difference

Thanks to you and other donors, Western Connecticut State University is able to help our diverse and talented students achieve their potential. Every dollar you donate provides much-needed support to WCSU students who have faced unprecedented circumstances that affect their ability to complete their degree.

Gifts to the Fund for Western of any size will help. The past few years have presented all of us with many challenges, and your support of the Fund for Western allows us to continue meeting the educational needs of our students.

Make your gift today at wcsu.edu/giving or call us at (203) 837-8479.

To donate by check, please make it payable to the WCSU Foundation and mail to:
