P President's Club (\$1,000+)

Members of this group have made an annual financial commitment of at least \$1,000 to the WCSU Foundation without placing restrictions on the purpose of their gifts. These donations are allocated to the university's greatest needs. President's Club donors have placed their trust in the WCSU mission and remain some of our most faithful advocates.

W WestConn Society (\$250 – \$499)

Members of this group have made an annual financial commitment of at least \$250 to the WCSU Foundation without placing restrictions on the purpose of their gifts. The earliest established giving arm of the WCSU Foundation, this group has for decades supported innovative programs, outreach opportunities and enrichment initiatives.

F Fairfield Hall Society (\$500 – \$999)

Members of this group have made an annual financial commitment of at least \$500 to the WCSU Foundation without placing restrictions on the purpose of their gifts. With their support, these members enhance our students' collegiate experience and invest in our faculty's ever-evolving needs.

@ Century Club (\$100 – \$249)

Members of this group have made an annual financial commitment of at least \$100 to the WCSU Foundation without placing restrictions on the purpose of their gifts. By far the largest participating giving group, these alumni, parents and friends provide an invaluable endorsement of a WCSU education.

L Loyalty Society

Members of this group have given to WCSU for at least five consecutive years, regardless of the amount. We count on these loyal donors who heartily believe in the university and do tremendous good through the simple act of contributing annually.

DONOR HONOR ROLL

JULY 1, 2022–JUNE 30, 2023

Dr. Singh

Dear Donors,

It is with deep gratitude that I address you as the interim President of Western Connecticut State University. At the start of the fall semester, I was privileged to personally welcome the Western Class of 2027 to campus—over 722 of the most promising young minds with dreams and determination to lead us toward a brighter tomorrow.

Throughout the past year, significant onward and upward momentum has been achieved at Western. For instance, renewed recruitment efforts for Fall 2023 resulted in a 13% increase in the size of the incoming class versus year ago. We successfully completed the AACSB reaccreditation of the Ansell School of Business and have achieved ABET accreditation for the Computer Science program. I feel fortunate to have been accorded the opportunity to lead a university that has made important strides toward ensuring student success while also contributing toward community building.

For 120 years, Western Connecticut State University has withstood the test of time and I am confident that all of us together representing diverse voices as alumni, community members, parents, and friends, will overcome any challenges that may be ahead. Together, we can preserve Western as a place where students tap into their potential and achieve their personal and professional aspirations with a sense of fulfillment and dignity. I am inspired by your support. The positive impact of your gift significantly contributes towards advancing our mission of educating the next generation of leaders.

Thank you again.

Sincerely,

A handwritten signature in black ink, appearing to read "Manohar Singh", with a stylized flourish at the end.

Dr. Manohar Singh President (Interim)
Western Connecticut State University

These are both easy steps to take to achieve your philanthropic goals while meeting your own personal estate planning needs.

For more information about creating a legacy at WCSU, please contact Julie Pryor-Bennett, Major Gifts Officer, at (203) 837-8111 or pryorbennettj@wcsu.edu.
