The Honors Teaching Practicum (HTP) allows junior and senior honors students to assist a professor in a class they have taken within the honors program, their major or minor. The central goals of the HTP are to give students experience with some of the issues involved in conveying knowledge to others and to reacquaint them with some of the central knowledge content of their field of study. In order to accomplish these goals, students may organize sessions, provide individual student tutorials, provide guidance with writing assignments, oversee group projects, organize class discussion sessions or oversee other related class activities. They are, however, prohibited from grading any of the activities they oversee or from performing purely administrative functions. Students are required to regularly attend the class in which they are assisting. Professors overseeing HTP students will provide students with related pedagogical materials within the area of the course and opportunities for them to reflect on these materials and their experiences in writing, such as in a journal or reaction papers. The number of credit hours is determined by the credit hours of the course where the practicum is taking place (e.g., 3 hours for a 3 credit hour class, or 4 hours for a course with a lab). An HTP may be repeated one additional time for credit and may not exceed a total of eight credit hours. For more information contact the Director of the Honors Program.

Prerequisite: Minimum of 60 credit hours, permission of instructor, Department Chair and the Director of the Kathwari Honors Program. **After all signatures are collected, send this complete form to the Registrar's Office and the Director of the Kathwari Honors Program.**
