What is Core-CT Self-Service?

Core-CT is the State of Connecticut’s Payroll System that contains a module (self-service) that will allow employees to enter their biweekly time sheet electronically. Employees can access Core-CT via the internet on any desktop computer, laptop, and also via an iPad. Once an employee enters their time sheet following the completion of the pay period their hours will then be submitted to their department supervisor for their electronic approval. Once the time sheet has been approved by the supervisor it authorizes a paycheck to be produced for the employee via Core-CT.

Logging into Core-CT

Core-CT is accessed by going to the following website address:

http://www.core-ct.state.ct.us/

You will then be brought to the following website:

![Core-CT Website]

Click on the “login” option in the upper left hand corner and you will then be brought to the following login page.
Once you have accessed this screen you need to enter your User ID and Password and click the “Sign In” button. Your User ID is your six (6) digit State of Connecticut employee number (if you do not know this number you can find it on your recent pay stub / advice of deposit slip or you can obtain it by contacting the HR Student Intern in the Human Resources Department at 203-837-8666 or via email at CORECTIssues@wcsu.edu). For your password the first time you login you will need to enter the first four (4) letters of your last name (all in uppercase) along with the last four (4) digits of your social security number.

When logging in for the first time you will be prompted to change your password and to setup a password recovery. Instructions on doing this are included in the supplement at the end of this manual.

- Once you have successfully logged into Core-CT you will be brought to the following screen:
Entering Your Biweekly Timesheet – Regular Hours Only

- Click on the “Timesheet” as indicated by the green arrow above
- Once clicking on this you will be brought to the following screen:

Please be aware that if you currently work more than one (1) job with WCSU you will see the below screen first:
• In this case you must first select the correct job before you will be brought to the two (2) week time period where you will enter your hours worked. In order to select your job double click on the correct job title under the “Job Description” as noted by the green arrow above. **Please be aware that in most cases you will have the same “Job Description” in all of your options, however they will each have a unique “Empl Record” which is indicated by the green arrow in the above screen print. The Empl Record is unique to the department where you work which you would have received in an email from a member of the Human Resources Department with the correct Empl Record when you began your employment. If you are not certain which Empl Record matches up to each department do not proceed, instead contact the HR Student Inter in the Human Resources Department at 203-837-8666 or via email at CoreCTIssues@wcsu.edu for the correct match up. Please be aware that if you enter your hours on the incorrect “Empl Record” you may be paid incorrectly or worse you may not be paid at all.**

• You will then be brought to the above screen which contains the two (2) week pay period

• In this scenario let’s say that you worked the following hours on the following dates:

  • 4 hours on Fri, 4/5
  • 2 hours on Tue, 4/9
  • 1.5 hours on Fri, 4/12
  • 3 hours on Wed, 4/17

*** Please be aware that you can only enter your hours in increments of .25 as follows:

  • .25 = 15 minutes
  • .50 = 30 minutes
  • .75 = 45 minutes

• Now go to the empty boxes under each of these dates and enter the hours worked as noted in the below screen print:
- In the empty box under “Time Reporting Code” enter REG. If you are employed with WCSU as a non-resident alien then you will need to enter REG19 for the “Time Reporting Code”. Please be aware that you are setup with the ability to only enter REG or REG19 for your “Time Reporting Code”, thus if you enter one and you receive an error message then enter the other code and it should work fine.

- After doing this you should then click on the “Submit” button. **Please be aware that you can submit your hours on a daily basis and do not have to wait until the end of the pay period to submit them all at once.**

- You will then notice a “Saved” message appearing in the upper right hand corner of the screen. This will flash across the screen for a few seconds and then disappear.

- You will also note that under the “Total Hours” column you will see that 10.50 defaulted in. This represents the total number of hours that you submitted for the biweekly time period.

- If you click on the triangle next to the “Reported Time Status” line you will then be brought to the following screen:
You now will see each day listed that you entered time for along with a reported status code of “Submitted.” This means that you have submitted your hours worked to your supervisor and there is nothing further for you to do. Please be aware that your supervisor will not be able to access or approve your hours worked until the following day. This is due to the fact that the system has to process the hours during an overnight process.

- Also please note that the column titled “TRC” stands for Time Reporting Code and for everyday it lists REG which stands for regular pay.
- If you click the triangle next to “Reported Time Status” again it will now hide this information.
- Now click on the triangle next to the “Reported Time Summary” line and you will be brought to the following screen:
Please note the “Total Hours” noted above is 10.50. This number should equal the number of hours that you worked for the two (2) week pay period.

Also, please note that there a column titled “Week 1” which lists 6.00 hours and “Week 2” which lists 4.50 hours. These columns represent the number of hours that you worked in each respective week of the pay period.

If you click the triangle next to “Reported Time Summary” again it will now hide this information.
Entering Sick Leave on Your Biweekly Timesheet in Addition to Regular Pay

Effective January 1, 2012, Public Act 11-52 was passed which extends certain paid sick leave benefits to employees who are deemed “service workers.” Per the Connecticut Department of Labor they have deemed that Student Employees & University Assistants meet the criteria of “service worker” which entitles them to certain paid sick leave benefits. In order to qualify for this benefit Student Employees & University Assistants will first need to work a total of 680 hours (as of 1/1/2012) and they will earn one (1) hour of sick leave for every 40 hours worked. The Payroll Department will track the sick leave accruals for Student Employees & University Assistants and will notify them once they have worked the required 680 hours and are eligible for this benefit. Please be aware that sick leave can only be used in lieu of previously scheduled hours. If you have not received notification from the Payroll Department stating that you are eligible for this benefit, do not attempt to enter any sick leave accruals on your biweekly timesheet as the system will not allow you to do so. In other words please skip this section of the manual.

If you are eligible for this benefit you can use it for the following reasons:

Time Reporting Code (SICK)

This covers using paid sick leave for the employee for his or her own:

- Illness, injury or health condition
- The medical diagnosis, care or treatment of his or her own mental illness or physical illness, injury or health condition

Time Reporting Code (SICK)

- For medical care or psychological or other counseling for physical or psychological injury or disability
- To obtain services from a victim services organization
- To relocate due to such family violence or sexual assault
- To participate in any civil or criminal proceedings related to or resulting from such family violence or sexual assault

Time Reporting Code (SP)

This covers using paid sick leave for the employee for his or her own:

- Preventative medical care (ex: doctor or dental appointments)
Time Reporting Code (SFAM)

This covers using paid sick leave for a child’s or spouse’s:

- Illness, injury or health condition
- The medical diagnosis, care or treatment of a mental or physical illness, injury or health condition
- Preventative medical care

- Click on the “Timesheet” as indicated by the green arrow below

- You will now be brought to the following screen:
Below we are going to be entering a timesheet for an employee with the following time worked/used:

1. 10 hours of regular pay

3. 1 hour of sick/medical appointment
4. 2 hours of sick/family

First enter the 10 hours that you worked during the pay period. Once you have done so enter REG for the “Time Reporting Code”

Now you need to add another row to the timesheet in order to add the next accrued leave time. In order to do so click on the “+” sign next to the beginning of the timesheet as indicated by the green arrow above.

Once doing so your biweekly timesheet will look as follows:
You will notice that there is an additional row of empty boxes located under the row of REG pay that you just entered.

You will then notice a “Saved” message appearing in the upper right hand corner of the screen. This will flash across the screen for a few seconds and then disappear.

If you click on the triangle next to the “Reported Time Status” line you will then be brought to the following screen:
You now will see each day listed that you entered time for along with a reported status code of “Submitted.” This means that you have submitted your hours worked along with your accrued leave time to your supervisor and there is nothing further for you to do. Please be aware that your supervisor will not be able to access or approve your biweekly timesheet until the following day. This is due to the fact that the system has to process the hours during an overnight process.

Also, please note that the column titled “TRC” stands for Time Reporting Code. In this column you will see the various TRC’s that you have entered (REG, SICK, SP, & SFAM) for the pay period along with their respective hours listed in the “Total” column.

You will also note that there is a column titled “Comments.” This is not a required column to complete, however it will allow you to enter comments for your supervisor to see regarding any of the hours entered on your timesheet. In order to enter comments for a specific day double click on the “comment bubble” next to the respect date you would like to enter a comment for. After doing so you will be brought to the following screen:
As you can see in the comment box I entered the following: “I was sick at home with the flu on this day.” Again, you are not required to enter any comments but it is a nice location to do so if necessary. However, please be aware that once you enter a comment it cannot be deleted, thus make sure to only enter appropriate comments if entering any at all.

Once you have completed entering your comment click on the “Save” button

After clicking “OK” on the warning message you will be brought to the following screen:
As you will see in the above screen print inside the comment bubble for 4/8/2013 there are now some lines. This means that comments have been entered for that specific date.

If you would like to enter any comments for any other days follow the same procedure as above.

If you click the triangle next to “Reported Time Status” again it will now hide this information

Now click on the triangle next to the “Reported Time Summary” line and you will be brought to the following screen:

Please note the “Total Hours” noted above is 16.00. This number should equal the number of hours that you worked for the two (2) week pay period.

Also, please note that there a column titled “Week 1” which lists 10.00 hours and “Week 2” which lists 6.00 hours. These columns represent the number of hours that you worked in each respective week of the pay period.
