Dear WCSU Community,

Many of you may be aware that there are several no-cost opportunities for COVID-19 testing in the city of Danbury. One of these is run by the Community Health Center of Danbury and has been located at their office location on Delay Street, next to the Ice Arena. Starting on Friday, November 6th 2020, they will be using the Commuter Parking Lot on our Westside Campus as a ‘drive-thru’ COVID-19 testing center. Hours of operation will be Monday-Friday 8:30am – 4:00pm.

Cars will enter the campus and line up in the right lane of University Boulevard as necessary to complete their paperwork and wait for testing. The community should be aware that there will be increased traffic on University Boulevard during these hours and the Commuter Parking Lot will be CLOSED until further notice.

No appointment is needed and there is no cost or co-pay associated with this testing. All university students, staff and faculty who are currently NOT included in our regular testing protocol can participate.

You can visit www.chc1.com for more information.
