**Western Connecticut State University
Macricostas School of Arts & Sciences
Chemistry
Adjunct Teaching Positions – Fall 2021**

Western Connecticut State University is pleased to announce applications are being accepted for part-time adjunct teaching positions in the Department of Chemistry & Biochemistry.

The Department is seeking adjunct faculty members to teach general chemistry laboratory courses in our department for the Fall 2021 semester. The laboratories are run in the mornings and afternoons. Adjunct teaching positions are contingent upon enrollment, funding, and departmental need.

WCSU is committed to enhancing our diverse university community by actively encouraging people with disabilities, minorities, veterans, and women to apply. We take pride in our pluralistic community and continue to seek excellence through diversity and inclusion.

Qualifications: Candidates must possess a master's degree in chemistry or biochemistry, Ph.D. preferred. Must present evidence of current relevant teaching experience. Prior teaching experience at the collegiate level is preferred. Excellent written and oral communication skills are required.

Salary & Benefits: Minimum starting salary will be \$1,698 per load credit (or a minimum of \$5,094 for a single 3 credit course). Additional information on benefits can be found at www.wcsu.edu/hr/benefits/. Part-time faculty at WCSU are represented by the American Association of University Professors.

Application Process: Interested applicants must submit a current curriculum vita, a sample of any student instructor evaluations, and the names and contact information for three (3) professional references to Dr. Russ Selzer, Professor/Department Chair via email: selzerr@wcsu.edu. In the subject line, please reference "Adjunct Chemistry". Application review will begin immediately and continue until the position has been filled.
