Work-Life Resources Online

“ I had several things I wanted to look into, but didn't know where to start. Then a friend pointed me to the work-life website, and she was right. As soon as I logged on, I immediately found information. I even downloaded articles and took self-assessments! ”

Let us help you make more room for living.

Your work-life Website is a vital source for up-to-date resources and information on the topics that matter to you and your family.

- Self-search provider databases for summer camps, education, pet sitters, attorneys, financial advisors, volunteer opportunities, and much more.
- Access more than 4,000 continually updated articles and “Best of Web” resource links.
- Look-up legal topics in the online legal encyclopedia, as well as medical topics using MedlinePlus.
- Visit the Savings Center for online discounts of up to 25% on hundreds of name-brands.
- Navigate Spanish-language content.
