## Notary Public's on Staff at Western Connecticut State University

Oftentimes employees and students are in need of the services of a Notary Public. WCSU has a few staff members who are appointed as Notaries with the State of Connecticut.

If you are in need of Notary services, please reach out to one of the staff members listed below. It is highly recommended you contact the Notary prior to needing their services in order to schedule an appointment so that you can make sure they are available to assist you.

Please keep in mind that you will need to sign the document(s) in the presence of the Notary, and you will be required to show Proof of Identification (i.e. Driver's License or WCSU ID card are two examples).

Below is the listing of WCSU's Notaries, their contact information, office location & office hours.
