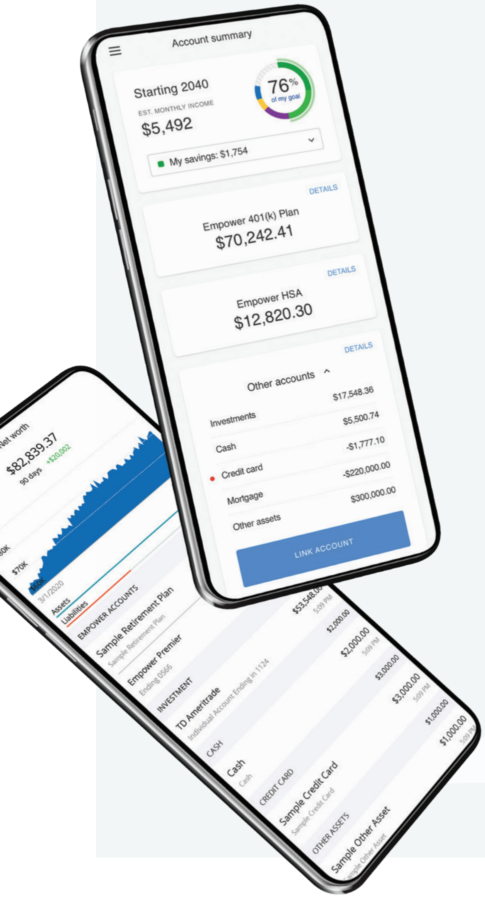
A few other notes

Your account information automatically transferred during the upgrade.

That means your retirement plan, current investments, contribution rates (if applicable), and other details remain the same. Over several weeks following the upgrade, up to three years of transaction activity will be loaded into your online account.

Have an existing Empower account from a prior plan sponsor?

When logging in to your existing account, you'll be prompted to link your accounts. Use your Empower username and password, then choose your default plan.



New experience and new app

Get all the great new features in the Empower mobile app and connect to your plan whenever, wherever. Look for this icon in the App Store® or on Google Play™. *If you are using the Empower, Prudential Retirement app, you will need to replace it by downloading the Empower® app.*

The mobile app is also available in Spanish and will update automatically according to the language preference setting on your mobile device.
