

Position Announcement

**Western Connecticut State University
Macricostas School of Arts & Sciences
Chemistry & Biochemistry
Adjunct Teaching Position
Spring 2026 & Future Semesters**

Western Connecticut State University is pleased to announce applications are being accepted for part-time adjunct teaching position in the Chemistry department for in-person courses for the Spring 2026 semester.

WCSU is committed to enhancing our diverse university community by actively encouraging people with disabilities, members of LGBTQIA and BIPOC communities, veterans, and women to apply. We take pride in our pluralistic community and continue to seek excellence through diversity and inclusion. WCSU is honored to be awarded the federal designation as a Hispanic Serving Institution (HSI). This accomplishment marks a pivotal moment in our progress toward fostering diversity, equity, and inclusion within our campus community.

The Macricostas School of Arts & Sciences www.wcsu.edu/sas/ is home to 11 departments, 19 undergraduate majors, six (6) graduate majors, and offers a variety of ways for students to further their education. The Department of Chemistry and Biochemistry offers American Chemical Society-certified Bachelor of Science degrees in Chemistry and in Chemistry with a Biochemistry option. The department also offers a chemistry minor. Additional information about the department may be found at <https://www.wcsu.edu/chemistry/>. Information on the University may be found at www.wcsu.edu.

Course Descriptions: The ability to teach General Chemistry Laboratory (CHE 110 & 111) and Chemistry for Nursing Professionals Laboratory (CHE 108 – a one-semester GOB course) is strongly preferred. Course descriptions can be found in <https://catalogs.wcsu.edu/ugrad/sas/>

Course Modality: Candidates must be able to teach in person at the WCSU midtown campus in Danbury, CT. Laboratory sessions are 3-hr in length and start at 9:30am, 2pm, 5:30pm or 7pm.

Qualifications: Candidates must possess a master's degree in chemistry or a related field. Prior teaching experience at the collegiate level is preferred. Excellent written and oral communication skills, as demonstrated by professional activity and application materials, are required.

Salary & Benefits: The current minimum starting salary is \$2,026 per load credit (or a minimum of \$6,078 for a single 3 credit course). Additional information on benefits can be found at www.wcsu.edu/hr/benefits/. Part-time faculty at WCSU are represented by the American Association of University Professors. All employment, if offered, is contingent upon proof of citizenship or employability under the requirement of the Immigration and Control Act (IRCA) and the successful passing of a background check. WSCU is committed to providing a safe campus community. Background investigations include reference checks, and a criminal history record check.

Position Announcement

Application Process: Complete applications include a cover letter and curriculum vitae/resume. Applicants with teaching experience should also include past syllabi to Dr. Nicholas Greco at grecon@wcsu.edu. In the subject line, please reference “Adjunct Chemistry.” The application process will remain open until the position is filled.
