

Your Information Technology & Innovation (IT&I) team hopes that you are settled in for the Spring 2021 semester. As a reminder, IT&I has put together a [Student Learning IT Guide](#) where you can find instructions, support and links

to the technology that will help you get the most out of your learning experience both remotely and on-campus.

All general computer labs are staffed and open this semester. Our lab schedule can be found [here](#). And, our 24 hour labs are also available.

Please download the myWCSU Mobile App – available at the Apple App Store and Google Market Place.

To learn more about collaboration tools and video conferencing please view this series of helpful [tutorials](#).

Be sure to register your devices to get the most consistent, quality WiFi experience. For more information about the WCSU Network, check [here](#).

As always, if you are having difficulty or need assistance with University technology, please contact our [Service Desk](#).

Wishing you a successful spring semester.
