		100%	

Note: For programs accredited by one of these organizations (CACREP), NCATE requires units to present the official notice of accreditation from the other specialized accrediting organization during the onsite visit. The only evidence required for the NCATE review related to these accredited programs is documentation for Standard 6 that the professional education unit is involved appropriately in the coordination of the nationally accredited programs. *The unit chose to present data for advanced programs in Music Education and School Counseling as evidence of coordination across the unit.*
