

WESTERN CONNECTICUT STATE UNIVERSITY

DEPARTMENT OF NURSING

SOPHOMORE NURSING STUDENT

Directions for students,

The following items must be completed:

1. Create an Account on www.CastleBranch.com. It is on this site that you will upload all the information in this packet and register for a background check.
2. Keep a copy of all uploaded documentation for your records. Placement sites may request proof and you will be required to produce proof within 24 hours.
3. Included in your folder is a copy of the Nursing Student handbook and form attesting to the fact that you have received and read the handbook. Your signed attestation letter must be uploaded to your account at CastleBranch.com every August and January before the start of the new semester.
4. Between November 16, 2020 and December 12, 2020, you must register for a Drug Screening through your account at CastleBranch.com.

**YOU MUST HAVE REGISTERED FOR A BACKGROUND CHECK
AND HAVE ALL HEALTH CLEARANCE FORMS COMPLETED AND UPLOADED TO
CastleBranch.com
ON OR BEFORE JULY
1, 2020**

Failure to Submit Forms and/or Register for a Background Check
Will Result In Written Warning or Removal from the Nursing Courses.

Reviewed 2/7/20 JHL/EC

**WESTERN CONNECTICUT STATE UNIVERSITY
DEPARTMENT OF NURSING
Clinical Credentialing Requirements**

Directions for **Sophomore** Nursing Students:

The following requirements pertain only to **sophomore** nursing students **AND** are required for WCSU clinical placements. Students **will not be allowed** to start their clinical area experience until this credentialing process is complete. **NO MEDICAL DOCUMENTATION WILL BE ACCEPTED IN THE NURSING OFFICE.**

The student is responsible for obtaining and uploading all the required documentation to their [CastleBranch.com](https://www.castlebranch.com) Account.

Inaccurate and/or incomplete documentation uploaded to the [CastleBranch.com](https://www.castlebranch.com) Account could impact the student's eligibility to participate in clinical.

Below is a checklist of the documents to be uploaded to your [CastleBranch.com](https://www.castlebranch.com) Account.

Student Check List	Document
	Vaccine Records: Proof of titers Draws (i.e.: Lab Report.) T-Dap (valid for 10 years) MMR (2 vaccines) Varicella (X2 or proof of positive titer) Hepatitis B (series of three vaccinations). Physical must be up to date; cannot be more than two years old. An attestation from a health care provider will also work here. (Please review Technical Standards) PPD or Quantiferon Gold Test (placed annually)
	Release Statement (page 3 of packet)
	Technical Standards (page 4 of packet)
	Completed TB and PPD health screening form (page 5 of packet)
	Completed Health Clearance (page 6 of packet)
	The Nursing Student handbook must be read, form, signed and uploaded 2 Xs per year (page 7 of packet)
	CHA Test – print, complete and uploaded to CastleBranch , making sure the pages are in order.
	Current Healthcare Provider CPR Card (i.e.: American Heart Association or Red Cross) must be valid. It must be a Healthcare Provider class and include: ADULT, CHILD and INFANT, with DEFIBRILLATOR. Front of the card must be uploaded. I if signature is needed on the back of the card, the Back of the card must be uploaded, as well.
	Please note students will be also required to get a flu vaccination. The flu vaccination must be for the 2020-2021 season and it is usually available Fall 2020. You will receive an email from the Department of Nursing when flu vaccines are available and the date when it's due. Check your WCSU email during the August. Proof must be uploaded to CastleBranch.com as soon as it's obtained.
	Towards the end of the Fall 2020 semester, between November 16, 2020 and December 12, 2020, you must register for a Drug Screening, through your account at CastleBranch.com . Do not do it earlier, as it may not be valid through the end of Spring 2021 semester of clinical.

In addition, student's need *Proof of Current Comprehensive Health Insurance*. It does not need to be uploaded, however, if asked to show proof, student must show they are compliant.

It is the student's responsibility to keep health information up to date and to take action to renew requirements PRIOR to the expiration date on their [CastleBranch.com](https://www.castlebranch.com) account. Call/Email [CastleBranch](https://www.castlebranch.com) first if you have trouble. If you still have trouble, then check with Dr. Lupinacci, Dr. Campbell or Terri-Ann Tilquist by email.

The student may be issued a Classroom/Lab/Clinical warning if not compliant. The student may also be kept out of the clinical setting.

WESTERN CONNECTICUT STATE UNIVERSITY DEPARTMENT OF NURSING

STATEMENT OF RELEASE

Students who fail to provide documentation that they have met the above stated requirements **will not** be allowed in the clinical areas. A criminal background check is required prior to placement in a clinical assignment, direct cost to be incurred by the students. In certain circumstances, evidence of a criminal record may prevent a student from fulfilling clinical requirements and /or requirements for professional licensure.

Some agencies require more than one background check.

I acknowledge that I will be required to be drug tested. Multiple drug tests may be required by agencies. Evidence of positive toxicology screening may prevent me from fulfilling clinical requirements.

I may be required to be fit tested by certain agencies.

I certify that I have complied with all health requirements and policies. I understand that by signing this document that I accept all responsibility for having met all contractual health requirements by the Department of Nursing, University, and agencies in which I may be assigned to do clinical.

I certify that I have documentation of all the above and that I will produce such documentation at the request of the Nursing Department within 24 hours of such request.

I understand that failure to meet and maintain clinical requirements will mean that I am not allowed into the clinical areas and I will not meet the program requirements.

I am aware that if during the course of the academic year(s) while participating in clinical experiences, **IF my health status should change in a way that would impact my ability to perform in clinical, I am required to notify the Nursing Department Chair and the Nursing Undergraduate Program Coordinator.** I acknowledge that I may need additional clearance which would be determined at that time.

Technical Standards**

In order to be successful in the Western CT State University Nursing program, students should to be aware that the ability to meet the following technical standards is continuously assessed. Students in the nursing program need the ability and skills in the following domains:

- observational/communication ability,
- motor ability
- intellectual/conceptual ability
- behavioral, interpersonal, and emotional ability.

Students must be able to perform independently, with or without accommodation, to meet the following technical standards:

Observation/Communication Ability – Nursing students must be able to:

- effectively communicate both verbally and non-verbally with patients, peers, faculty, and other healthcare professionals
- use senses of vision, touch, hearing, and smell in order to interpret data
- demonstrate abilities with speech, hearing, reading, writing, English language, and computer literacy

Motor Ability – Nursing students must be able to:

- display gross and fine motor skills, physical endurance, strength, and mobility to carry out nursing procedures
- possess physical and mental stamina to meet demands associated with excessive periods of standing, moving, physical exertion, and sitting
- perform and/or assist with procedures, treatments, administration of medications, operate medical equipment, and assist with patient care activities such as lifting, wheelchair guidance, and mobility

Intellectual/Conceptual Ability – Nursing students must be able to:

- problem solve, measure, calculate, reason, analyze, and synthesize data in order to make decisions, often in a time urgent environment
- incorporate new information from teachers, peers, and the nursing literature
- interpret data from electronic and other monitoring devices

Behavioral, Interpersonal, and Emotional Ability – Nursing students must be able to:

- tolerate physically taxing workloads and function effectively during stressful situations
- display flexibility and adaptability in the work environment
- function in cases of uncertainty that are inherent in clinical situations involving patients/clients
- possess the skills required for full utilization of the student’s intellectual abilities
- exercise stable, sound judgment
- establish rapport and maintain sensitive, interpersonal relationships with others from a variety of social, emotional, cultural, and intellectual backgrounds
- accept and integrate constructive criticism given in the classroom and clinical setting

I (student) attest that I have read, understood, and agree that I am able to carry out the above mentioned Technical Standards.
