## DEPARTMENT OF NURSING

### **JUNIOR/SENIOR NURSING STUDENT**

#### **Directions for students.**

The following items must be completed:

1. Access your existing Account <https://discover.castlebranch.com/> Items must be updated prior to expiring. Noncompliance will result in a written warning.
2. Keep a copy of all uploaded documentation for your records. Placement sites may request proof and you will be required to produce proof within 24 hours.
3. Do NOT click on the Student Fingerprint option. If fingerprinting is required, students will be notified by the Department of Nursing.
4. All nursing students are required to complete drug screening 30 days prior to clinical. Screening information will be provided through CastleBranch.
5. Background checks may need to be repeated. Information will be provided by the Department of Nursing.

It is your responsibility to make sure this information does not expire. Those that expire, are rejected or overdue will have a clinical warning issued and may be removed from class/clinical.

**WESTERN CONNECTICUT STATE UNIVERSITY**  
**DEPARTMENT OF NURSING**  
**Clinical Credentialing Requirements**

Directions for *Junior and Senior* Nursing Students:

The student is responsible for obtaining and uploading all the required documentation to their account at <https://discover.castlebranch.com/>; inaccurate and/or incomplete documentation could impact the student's eligibility to participate in clinical and a warning issued.

<b>Student Check List</b>	<b>Document</b>
<input type="checkbox"/>	Renew Release Statement <b>Must be uploaded each year</b> (page 3 of packet)
<input type="checkbox"/>	Renew Technical Standards <b>Must be uploaded each year</b> (page 4 of packet)
<input type="checkbox"/>	Completed TB and PPD health screening form. If going to Northwell Health an initial 2 step PPD or Quantiferon Gold Blood Test is required within 3 months of start date, then 1 step or Quantiferon Gold Blood Test annually. (page 5 of packet)
<input type="checkbox"/>	Please check your T-Dap (every 10 years), Covid Vaccination.
<input type="checkbox"/>	Physical Exam (yearly) for Health Clearance (page 6 of packet)
<input type="checkbox"/>	Hepatitis B (series of three vaccinations and a positive titer or declination waiver).
<input type="checkbox"/>	Review the Nursing Student Handbook (page 7 of packet)
<input type="checkbox"/>	CHA Test – print, complete and uploaded to CastleBranch, making sure pages are in order. Test included in packet or at <a href="https://cthosp.org/education/health-safety-training/">https://cthosp.org/education/health-safety-training/</a>
<input type="checkbox"/>	Current CPR card (i.e.: American Heart Association - Health Care Professionals Basic Life Support OR American Red Cross - Professional Rescuer) must be valid. Including: <u>ADULT</u> , <u>CHILD</u> and <u>INFANT</u> , with <b>DEFIBRILLATOR. Front &amp; Back signatures must be visible.</b>

You will receive an email from the Department of Nursing when flu vaccines are available and the date when it's due. <b>Check your WCSU email during the summer and all of your breaks.</b> Proof must be uploaded.

**WESTERN CONNECTICUT STATE UNIVERSITY  
DEPARTMENT OF NURSING**

**STATEMENT OF RELEASE**

Students who fail to provide documentation that they have met the above stated requirements **will not** be allowed in the clinical areas. A criminal background check and drug testing are required prior to placement in a clinical assignment, direct cost to be incurred by the students. In certain circumstances, evidence of a criminal record may prevent a student from fulfilling clinical requirements and /or requirements for professional licensure.

I certify that I have complied with all health requirements and policies. I understand that by signing this document that I accept all responsibility for having met all contractual health requirements by the Department of Nursing, University, and agencies in which I may be assigned to do clinical.

***I certify that I have documentation of all the above and that I will produce such documentation at the request of the Nursing Department within 24 hours of such request.***

I understand that failure to meet and maintain clinical requirements will mean that I am not allowed into the clinical areas and I will not meet the program requirements.

I am aware that if during the course of the academic year(s) while participating in clinical experiences, **If my health status should change in a way that would impact my ability to perform in clinical, I am required to notify** the Nursing Department Chair and the Nursing Undergraduate Program Coordinator. I acknowledge that I may need additional clearance which would be determined at that time.

### Technical Standards\*\*

In order to be successful in the Western CT State University Nursing program, students should be aware that the ability to meet the following technical standards is continuously assessed. Students in the nursing program need the ability and skills in the following domains:

- observational communication ability,
- motor ability,
- intellectual/conceptual ability,
- behavioral, interpersonal, and emotional ability.

Students must be able to perform independently, with or without accommodation, to meet the following technical standards:

#### **Observation/Communication Ability – Nursing students must be able to:**

- effectively communicate both verbally and non-verbally with patients, peers, faculty, and other healthcare professionals
- use senses of vision, touch, hearing, and smell in order to interpret data
- demonstrate abilities with speech, hearing, reading, writing, English language, and computer literacy

#### **Motor Ability – Nursing students must be able to:**

- display gross and fine motor skills, physical endurance, strength, and mobility to carry out nursing procedures
- possess physical and mental stamina to meet demands associated with excessive periods of standing, moving, physical exertion, and sitting
- perform and/or assist with procedures, treatments, administration of medications, operate medical equipment, and assist with patient care activities such as lifting, wheelchair guidance, and mobility

#### **Intellectual/Conceptual Ability – Nursing students must be able to:**

- problem solve, measure, calculate, reason, analyze, and synthesize data in order to make decisions, often in a time urgent environment
- incorporate new information from teachers, peers, and the nursing literature
- interpret data from electronic and other monitoring devices

#### **Behavioral, Interpersonal, and Emotional Ability – Nursing students must be able to:**

- tolerate physically taxing workloads and function effectively during stressful situations
- display flexibility and adaptability in the work environment
- function in cases of uncertainty that are inherent in clinical situations involving patients/clients
- possess the skills required for full utilization of the student's intellectual abilities
- exercise stable, sound judgment
- establish rapport and maintain sensitive, interpersonal relationships with others from a variety of social, emotional, cultural, and intellectual backgrounds
- accept and integrate constructive criticism given in the classroom and clinical setting

**I (student) attest that I have read, understood, and agree that I am able to carry out the above mentioned Technical Standards.**
