

Our Changing Global Environment

#SigmaXimtg

Sigma Xi Annual Meeting & Student Research Conference

November 14–17, 2019

Monona Terrace
Convention Center
Madison, Wisconsin, USA

- Present your research and receive valuable feedback
- Compete for top presentation awards
- Engage in discussions about solutions for environmental challenges that threaten the vitality of our planet
- Expand your professional network
- Participate in science communication and professional development workshops

"I enjoyed every moment of it and was able to learn a lot from this opportunity"

Student presenters receive nominations to membership in Sigma Xi,
The Scientific Research Honor Society.
