ON CAMPUS ALCOHOL PERMIT AND PROCEDURES

1. All requests for events, on or off campus, that involves alcohol of any kind require that a CAMPUS ALCOHOL APPLICATION/PERMIT be submitted with the Facilities Reservation Confirmation form.

2. University Dining Services, contracted to Sodexho, holds the alcohol permit for events involving alcohol on University property. They require that this permit be complete before the event can have alcohol served.

3. All sponsors of events that involve alcohol are responsible to see that state regulations governing such activities are strictly adhered to. Primarily, sponsors must make sure that anyone under the age of 21 does not have access to alcohol at such programs. Sponsors must also realize their responsibility to limit the amount of alcohol to be consumed by any one individual. The sponsor is also responsible for reading and understanding the University-wide Alcohol Beverage Policy which can be found on the University’s Human resources website or by clicking on University-wide Alcohol Beverage Policy.
