

Aurora/WCSU presents:

THE TEMPEST – A Musical Enchantment

“Magical” - *The News-Times*

Stunning visual theatre combined with original music, dance and puppetry to create a Tempest you'll not soon forget. This musically laced version of the classic text uses Shakespeare as lyricist for the songs. Adapted, directed and original music by Sal Trapani, who brought the smash hits *Romeo & Juliet – A Rock and Roll Love Story* and *Twelfth Night – the 1960's San Francisco Psychedelic Musical to the Fringe* in 2007 and 2005.

New York choreographer/musical director Amy Jones is again part of the team that is rounded out by Liz Popiel (Trapani's longtime collaborator who designs.)

This show is appropriate for all ages and will appeal to children.
