Romeo & Juliet – A Rock and Roll Love Story

This is stunning visual theatre – a Romeo & Juliet like you've never seen - from the company that brought you the smash hit, Twelfth Night -The 1960's San Francisco Psychedelic Musical.

Set in New York, *Romeo & Juliet* uses Shakespeare's original text to create an unforgettable, sensual and provocative theatrical event using a lyrical rock score, explosive dancing and exciting video.

'Touching theatre flourishes. Well sung...elegant, haunting.'
News Times

"A triumph, shimmering with energy, stunning."
The Scotsman - ENEMY: Project Ibsen

'Mesmerizing, gripping, compelling...dreamlike.'
New York Times on creator Sal Trapani's work

"Clever, witty, entertaining and a whole lot of fun, you will really love this show."
