Important information for students using VA Educational Benefits at WCSU:

- ✓ You are required to be matriculated (formally admitted) as a degree seeking student within two (2) semesters **and** you are required to declare a major before your junior year (60 credits) or your benefits will be suspended.
- ✓ Classes that are successfully completed may not be certified again for VA purposes if they are repeated; however, if a student fails a class or if a program requires a higher grade than the one achieved, that course may be repeated and certified to VA again.
- ✓ Notify WCSU's Veteran Affairs Office if you are taking a course outside of your planned program of study. Only courses that satisfy requirements for your current program of study can be certified for VA purposes.
- ✓ You are required to maintain good academic standing. VA Benefits will be suspended if you remain on academic probation for two (2) consecutive semesters or have been suspended.
- ✓ Your benefits will continue to be certified for each subsequent term that you enroll at WCSU without any further action on your behalf, unless you notify WCSU's Veteran Affairs Office and request certification be suspended.
