

Bestselling Author of *Confessions of an Economic Hit Man*

Western Connecticut State University presents

HOODWINKED!

What Wrecked our Economy? How to Fix it.

A lecture by John Perkins

John Perkins, renowned author and economist, discusses history's first global empire, its evolution through economics rather than the military, and the view of many that we are now catapulting toward a catastrophic future.

October 26

Ives Auditorium, White Hall
6:30 - 7:30 p.m.

Free and open to the public
